

MALTHOUSE THEATRE VANGUARD

Malthouse Theatre invites young social influencers, arts lovers and cultural leaders to join Vanguard.

Malthouse Theatre's Vanguard invites individuals aged 18 to 30 to connect with our theatre as a space for artistic, social and political discussion. The Vanguard represents the future of Malthouse Theatre: a cohort of highly engaged and culturally curious agents of change who are welcomed into the company as new ambassadors.

Vanguard members receive:

- Complimentary tickets to designated preview performances throughout Season 2018 with a dedicated foyer space for post-show gathering in the Vanguard Lounge
- Invitations to facilitated conversations and events with Malthouse Theatre artists and leaders
- Opportunities to connect with Malthouse Theatre's Executive and Board, participating in dynamic conversations about leadership and advocacy for young audiences
- Access to *Bring a Guest* tickets and invitations to additional Malthouse Theatre events

With unparalleled access, Vanguard members have a year of unforgettable experiences, gain insight into Malthouse Theatre's work, contribute to discussions about cultural leadership and build a new network of local arts lovers.
